

Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on Healthy Relationships.

We are doing this to help students feel safe and secure within their school community and to improve overall student achievement and student well-being.

Throughout the year, we will be:

1. Focusing on building positive relationships between staff and students through our work on building essential conditions for learning.
2. Engaging with our school community to create and maintain healthy relationships.
3. Facilitating opportunities for members of the community to build positive relationships.

Community/Home Connections

Discuss with your child opportunities to show kindness at school each day.

Encourage your child to advocate for themselves.
