

# Oxford EarlyON Child and Family Centres

EarlyON Child and Family Centres offer high-quality, **free** programs for parents and caregivers to interact with their children aged 0-6 years.

## Kindergarten, Here We Come!

During this free, interactive program, you and your child will have the opportunity to explore and investigate many different activities as you prepare for your child's next learning adventure! Resources will be provided, and each child will receive a certificate of completion for you to keep as a special reminder!

More information about this and other free programs can be found in our **Virtual Village:**
